SLIDE SYSTEMS

ZOOM FLOOM ORIGINAL -60FT/ 90FT/ 120FT 💧 **\$6,195/ \$8,995/ \$11,695**

Our new Zoom Floom hillside water slide designed for zero depth entry into an open body of water. Perfect for hours of waterfront fun!

ZOOM FLOOM FAST BREAK -60FT/ 90FT/ 120FT 💧 **\$6,395/ \$9,095/ \$13,380**

Bring the fun to land with the Fast Break. Designed for hillside use without an open water exit, this system includes the Zoom Chute and our exclusive Water Brake, slowing riders to a safe stop.

ZOOM FLOOM GRAND SLAM -72FT/ 102FT/ 132FT 💧 **\$8,995/ \$11,595/ \$14,395**

Our fastest land-based Zoom Floom yet! The Grand Slam includes all three modular components. Riders begin on the Starting Block for accelerated sliding, race down the Zoom Chute, and are slowed to a stop by the Water Brake.

ZOOM FLOOM MODULES

STARTING BLOCK 💧 **\$2,795** - Easily attachable to the Zoom Chute. The Starting Block increases the rider's angle of descent for accelerated sliding.

ZOOM CHUTE 💧 **\$3,295** - The core of our Zoom Floom water slide. Incorporates safety side rails, convenient portability, and easy assembly.

WATER BRAKE 💧 **\$3,495** - Our exclusive braking system for safe and fun sliding on land. Connects to Zoom Chute and slows rider to a gradual stop.

November 2011 Pricing. Prices subject to change. Freight not included.
